### GRADE POINT AVERAGE ( G. P. A. )

By now you are probably aware of the introduction of new standards for academic performance for all undergraduate students in the faculty of Arts and Science.

Every new regulation requires some familiarization. The GPA is no exception. Details on calculating the W GPA (Weighted Grade Point Average) are available in the Academic Calendar, from the Office of the Dean, Faculty of Arts and Science and from the Services for Disabled Students.

In summary, all students will be expected to maintain an annual W GPA of 2.00 (Acceptable Standing). Students with W GPA's between 1.99 and 1.50 will be considered in "Conditional Standing" and must meet certain academic criteria to continue their program.

#### POINTS TO REMEMBER:

- CHOOSE YOUR COURSE CAREFULLY CONSIDERING YOUR AREAS OF STRENGTH AND ABILITIES
- INQUIRE INTO THE STRUCTURE, FORMAT AND METHOD OF TEACHING FOR EACH COURSE
- F/INC AND F/DNW ARE COUNTED AS FAILURES ("0" ON THE GPA)
- DISC AND MED ARE NOT CALCULATED IN THE GPA
- P/T STUDENTS MUST HAVE AT LEAST 12 CREDITS TO ACTIVATE A GPA

The GPA affects ALL students. If you need special services, exam accommodations or materials in braille, tape, etc. you must access these services at the beginning of your academic program.

Don't chance a GPA lower than your potential!
